

ALL-ACC PICKLE-NIC!

June 11, 2017

More than 25 people, kids and adults alike, representing five ACC schools gathered to make acquaintances, enjoy a beverage, slave over a quirky grill, and watch the Portland Pickles baseball team on June 11 at Lents Park. This was the first attempt in several years to bring various ACC alumni clubs together and, judging from the camaraderie and conversations which took place, it won't be the last. The Pickles "capped" the day with a free hat for patrons and a walk-off 5-4 victory over Chico.

Thanks to the Virginia Tech, Florida State, Louisville, North Carolina and Syracuse clubs for taking part ... and to the Arizona and Oregon alums who also joined in. It was a great afternoon to relax, talk club operations, and compare upcoming football schedules. Let's hope the Pickle-nic spawns more cooperation and friendship among we Pacific Coast boosters of our Atlantic Coast Conference schools!
