

# HAPPY HOOPS YEAR!

January 6, 2018

The SU - Notre Dame game ended in disheartening fashion – with a steal and bucket to win the game by the Fighting Irish. Even so, it was an excellent way to start the new year for the Stumptown Orange. Sixteen alumni, family and friends of Syracuse turned out at Broadway Grill, including some new faces.

Graduation years ranging from 2016 to 1954 were evident around the tables. There was lots of conversation and smiles ... at least until that final shot.

We're hoping for a similarly robust turnout *outside* on Feb. 18 when the Syracuse women's lacrosse team faces the University of Oregon at the stadium at West Linn High School. We think it'll be the first time an Orange team sport has played in Oregon since 1977. We're also looking at having another basketball game watch during this regular season, so keep an eye on [StumptownOrange.com](http://StumptownOrange.com) and our [Facebook page](#) for details of those events.

Thanks to everyone who came out on Jan. 6. We're looking forward to seeing you – and others – again soon!
