

NICE TURNOUT; NOT-SO-NICE OUTCOME

February 24, 2018

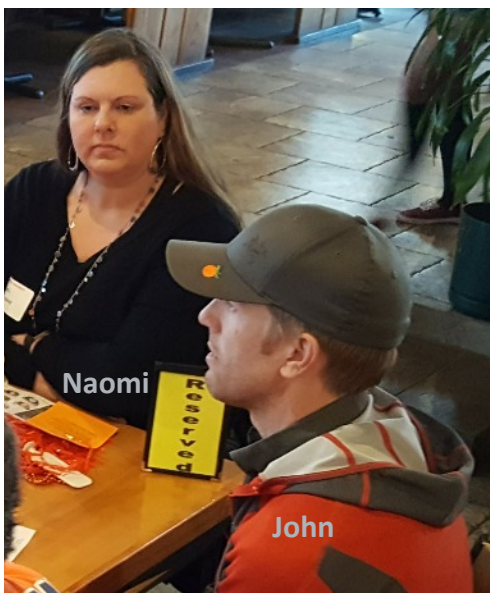

We surely were hoping for a better game than the 60 - 44 defeat Duke handed the Orange on Feb. 24, but our game watch featured good conversation, ample food and drink, and a couple of new, friendly faces.

Welcome to **John Collins ('02)** who attended his first club event. The Whitman grad is one of Portland's newest police officers – congratulations, John! Also at her first Stumptown happening was Aggie England, guest of Stumptown stalwart **Ted Bunga ('61)**. Nice to meet you, Aggie!

Filling out the rooting section were Molly & **George Gearn ('54)**, **Howard Groomman ('72)**, **Kathy Belge ('89)**, **Naomi McLaughlin ('14)**, **Debbye Blum ('83)**, **Ken Kane ('75)**, and the person responsible for arranging the afternoon at Broadway Grill, our Sports Coordinator, **Christie Martin ('99)**.

SU's success in the ACC tournament and its participation in the NCAA tourney will determine whether we do more game watches this season. Also playing a role will be the starting times of Orange tournament games. The scheduling of game watches will, by necessity, be late decisions. So, keep your eyes on the club's Website, Facebook and Twitter pages to stay abreast of potential game watches.

*Thanks to everyone
for showing your
Orange spirit!*
