

FIRST FOUR FUN

March 14, 2018

Emotions ran high during Syracuse's first First Four experience. Just ask **Kate Johnson ('16)**, whose expressions ran concern to her best "Coach Boeheim disbelief" impression to spoiling for a fight to ecstasy when the final buzzer sounded!

When it was over 'Cuse had earned a come-from-behind 60 - 56 victory over Arizona State and the right to continue into the traditional first round of the NCAA men's tournament. And a dozen rooters at West Coast Drinkery were pleased ... well, 10 of the 12. A couple of proud Sun Devil fans, who were friends of a few of us, also came to cheer.

All in all, it was a good night for the Stumptown Orange and a team few expected to get this far. Thanks to everyone who came to root on the Orange!
