THE NEWEST ORANGE

JULY 11, 2019

Welcome to the Class of 2023!

The **Stumptown Orange** celebrated the newest to the fold on July 11, during the club's 13th annual Student Send-off. Seven incoming students, as well as their parents, several current students, alumni and SU staff joined for an evening of info sharing, stories and easy conversation at Old Market Pub in southwest Portland.

In all, nine first-year students from northwest Oregon are headed to Syracuse this fall. The assortment of schools in which they are enrolled includes Visual & Performing Arts, Newhouse, Falk and Arts & Sciences. But what makes our Send-offs so much fun is that meeting those members of the Class of 2023 were, among others, two Stumptowners whose graduation years came more than 60 years earlier: **Ted Bunga '61** (near right) and **George Gearn '54** (far right).

Club President **Rich Meneghello '93** welcomed the students and their families into the club and the world of Orange.

Joan Adler '76 (far right), from SU's satellite campus in Los Angeles, offered orientation information and suggestions.

Then the rest of the night was dedicated to conversation ... and pizza! **Nelson Atkin '74** jumped right in.

It was great to see veterans of several Send-offs in attendance – especially the wide-eyed incoming freshman of years ago – now back as successful graduates, to offer the newbies their perspectives. Thanks to them and to all 38 folks who joined in the fun. And best of luck to our newest Orange as they embark on their Syracuse education!
