

# S Portland Alumni Club

## HOLIDAYS AND VICTORIES

December 10, 2022

With toys for tots, swag bags for alumni and friends, and a Syracuse victory over a longtime rival, Dec. 10 was a good day to be Orange.

Eleven folks gathered at Old Market Pub for the morning tip-off between Syracuse and Georgetown. Grad years spanning 1961 to 2016 were represented and the group brought together familiar faces and alums joining the club for the first time. It was great to meet Jodie Wasson '01 and her husband Noah, Colten Weekley '16 and Syracuse Mom Renee Guirguis.

Regarding the basketball game, the Orange overcame a slow start to pull away down the stretch. There was lots of "getting to know you" as well as chatter among friends as we watched SU take command. Club president Ken Kane '75 spent halftime welcoming the new folks, collecting toys, and pitching the need for an expanded and younger leadership team for the club.

Please contact Ken at 503.522.9997 or [ken@woodbloom.com](mailto:ken@woodbloom.com) if you can help move the club forward. With more opportunities for gamewatches as well as other potential events in 2023, *your* involvement with the club will ensure a long-term Syracuse alumni presence in the Rose City.
