## DO YOU BLEED ORANGE?

October 14, 2023

It's a tough watch when your favorite team gives up 41 points...

But it's a little easier to take when, at the same time in the next room over, your alumni club's annual community blood drive collects 21 pints.

Such was the case on Oct. 14 at Old Market Pub when the Stumptown Orange held its annual gamewatch and Do You Bleed ORANGE? Blood drive. The football game was not compelling (FSU 41, 'Cuse 3) but the group of alumni was! Thanks to all who came. Thanks, especially, to **Colten Weekley '16** who donated blood once the game was over. His unit was one of 320 pints of blood collected at the alumni club's annual Do You Bleed Orange drives since 2012.
